## Formation Lay Franciscans Marquard Philip

**spring/summer 1997 - secular franciscan order** - this was described as a "week of community" during which "lay franciscans, sisters, and priests prayed and lived together. seeking direction from the lord, striving to understand what it means to be a franciscan in today's **parish weekly calendar of events july 1, 2018** - education and faith formation as we proclaim the good news. we gather for worship and fellowship welcoming all people to be stewards of christ on our earthly journey toward eternal life. **john paul ii phones friars in church of the nativity** - ture so that we can lay the foun-dation for the future. we do not want to do something now that we will only have to undo later. nor do we want to do something now that would block future develop-ment. in the process of preparing the vision for the future certain needs presented themselves. i would list them as follows, not necessarily in the order of importance or ur-gency: •there is a need ...
